

# Nicolas Cancino

nicocancino0@gmail.com | (305) 401-9930 | Miami, Florida

## EDUCATION

**Florida International University | FIU**

*Major: B.S. in Computer Science*

GPA: 3.4

Expected Graduation: May 2028

**Relevant Coursework:** Calculus 1 & 2, Data Structures, Systems Programming

## PROFESSIONAL EXPERIENCE

The Education Effect | Student Program Assistant

November - Current

- Supported daily operations and assisted with community programs, event planning, and data tracking to enhance student and family engagement.
- Managed Excel-based databases and provided research support for special projects while maintaining confidentiality and working both independently and in a team.

August 2023 – June 2025

- Tasked with looking after a class of children and ensuring their safety during after-school hours.
- Ensure the safety of children, facilitate learning homework, and communicate with parents.

## PROJECTS

**Pokémon Trivia Game | Python**

- Python trivia game using the PokéAPI to fetch Pokémon data and generate questions from user-selected generations.
- Implemented JSON-based data handling and game logic to provide progressive hints and track player wins/losses.
- Integrated API responses and custom functions to deliver dynamic, randomized Pokémon guessing experiences.

**Personal Portfolio Website | HTML / CSS / JavaScript**

<https://nicolascancino.vercel.app>

- Created a personal portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, and a downloadable résumé in a clean, professional layout.
- Highlighted programming skills, built contact functionality for potential employers to demonstrate hands-on coding and project experience, and deployed it to the web.

**Personal Portfolio Website | HTML / CSS / JavaScript**

**Languages:** Python, Java, HTML/CSS, JavaScript

Skills: Git / GitHub, Adobe Certification, Bilingual (English / Spanish)
